# Dedication

Some people come into our lives and quickly go. Some stay for a while and leave footprints on our hearts and we are never, ever the same.

The Class of 2000 is proud to dedicate this yearbook to our advisors, Mrs. Katherine Becker and Mr. Vincent Gilarde. In June, shortly after our graduation, Mrs. Becker and Mr. Gilarde will both retire from the Scituate High School Guidance department. Mr. Gilarde began his career thirty-eight years ago in Scituate as an English teacher at the Gates

School where he also worked as a guidance counselor. He joined the staff at the high school as a housemaster, a position which he held for many years before becoming the Guidance department chairperson K-12. Mrs. Becker taught in Weymouth, MA, West Hartford, CT, and Braintree, MA, joining the SHS English department in 1968, and moving to the Guidance department in 1969. Both Mrs. Becker and Mr. Gilarde led full lives at SHS outside the Guidance suite. Mr. Gilarde has coached, served as a class advisor, student council advisor, emceed graduation, and been an outstanding supporter of all school activities. Mrs. Becker has been an advisor to several classes, served for many years as the advisor to the National Honor Society, and has been a role model for us by her involvement in many community programs. Mrs. Becker and Mr. Gilarde knew not only our faces but our names, our fears and our tears, and our hopes and our dreams. They greeted us each day with a smile, a supportive word, and a helping hand. Without them, we would not have been able to overcome the many obstacles that we have faced through the years, and we would not be where we are today. We thank you, Mrs. Becker and Mr. Gilarde, and we will miss you.

A note to my darling baby sister. I want to thank you for succeeding in the first twelve years of your education. It's a wonderful thing to see my darling baby sister that I helped to take her first step and now I am watching you take another first step into the world where you will have your own balance. I've watched you grow from a precious, soft caterpillar into a beautiful, purple butterfly. Now you are a young lady ready to grow into a college graduate. I know God is watching over you and he will send His guardian angels to help you. Always remember that He is with you and will help you for the rest of your life.

Love, Your Sister, Rene

*Our prayer for you, is that you know how brilliant and special you are, the world is yours to make all dreams come true. Good luck in the year 2000 and beyond.*

*Love Brothers, Bobby, Jo-Jo and  
Ralph*

*There is nothing in this world more important, more precious, more perfect than you. You have within you the ability to create all that you desire to be.*

*My precious baby girl. Our beautiful, loving daughter. A wonderful, caring sister. Dazzling, you are everything sweetheart, you are special, you are love. And if there is ever a day or time when you cannot figure out what to do, just throw your hands in the air and dance!!! God's angels are your partners.*

# DISCOVERY • MILLENNIUM • GOODBYE • WEATHER • DISC

The year 2000 was greeted with celebrations across the globe, including a fantastic fireworks display at the Eiffel Tower and religious ceremonies in Jerusalem. Looking back on 1999, we see a year filled with hope for the future, but also a year plagued by war and natural disaster. The conflict in Serbia kept the world on the edge of its seat, while earthquakes, tornadoes and winter storms focused our attention on international relief efforts. In 1999-2000, we also said goodbye to some of the world's most beloved celebrities including John F. Kennedy Jr., Walter Payton and Charles Schulz.

## WEATHER

The century came to a close with an upsurge of natural disasters. Hurricane Floyd caused \$4.2 billion worth of damage on the East Coast while snowstorms crippled regions of the Northeast and Midwest. Internationally, earthquakes killed thousands in Turkey, Columbia and Taiwan.

## MILLENNIUM

While some stockpiled Y2K supplies and safeguarded their computers against the "millennium bug," others rang in the new century with fireworks, parties and religious celebrations. While merchandise branding the date 01.01.00 filled stores, millennium countdown clocks were seen everywhere from billboards to post offices.

## DISCOVERY

The Hubble Telescope, Earth's orbiting eye to the heavens beamed back pictures of new planets and nebulas, while kinks in the NASA Mars Polar Lander mission delayed hopes of discovering more about the mysterious red planet.

## GOODBYE

As we said goodbye to the century, we also said goodbye to some of the world's most beloved celebrities. John F. Kennedy Jr. was killed in a private plane crash while Charles Schulz passed away on the night before his last "Peanuts" comic strip was to be published in Sunday papers around the world. Sports legends Walter Payton, Joe DiMaggio and Tom Landry also left us this year.

# MUSIC

## JENNIFER LOPEZ

## FAITH HILL/TIM MCGRAW

The country couple both receive nominations at the 1999 American Music Awards. Faith Hill's album "Breathe" debuts at #1 on the Billboard Top 200.

## RICKY MARTIN

"Livin' La Vida Loca" and "She's All I Ever Had" take Ricky's first English album multi-platinum.

## BRITNEY SPEARS

"Boy Bands" and Latin superstars lead the 1999-2000 music scene. 'N SYNC and Backstreet Boys keep fans screaming for their good looks and slick dance moves. Ex-Menudo vocalist Ricky Martin wows audiences with his first English album, and actress/singer Jennifer Lopez scores big with her own first album, "On the 6." The biggest success story of the year, however, is former Mouseketeer Britney Spears' meteoric rise to fame via her debut LP "...Baby One More Time."

These cool cowgirls continue to enjoy the success of their breakthrough album "Wide Open Spaces."

TLC returns to the hip-hop scene with "Fan Mail," featuring the singles "Come On Down" and "No Scrubs."

## THE MATRIX

Incredible special effects and kung-fu fighting make this sci-fi thriller an instant classic. Keanu Reeves trained for months to pull off moves like this.

George Lucas makes history again with the 1999 release of "Star Wars: Episode 1 - The Phantom Menace." Star Wars fans waited in line days before the premiere in hopes of being one of the first to see the prequel.

"10 Things I Hate About You," a remake of *The Taming of the Shrew*, introduces newcomer Julia Stiles as a high school student who presents a challenge to her suitor Heath Ledger.

Keanu Reeves stars as a 21st century hacker in "The Matrix." This ground-breaking science fiction film excites audiences with computer-generated effects and superbly choreographed fight scenes.

Jennifer Love Hewitt ventured out on her own, tackling the concrete jungle of New York City in "Time Of Your Life." Animated sitcom "The Simpsons" remained popular while cartoonist Matt Groening's newest series, "Futurama," gained a wider audience.
